

REGGIE SALVADOR

Senior Transactional Advisor
Retail Services Group

CAREER SUMMARY

Upon graduation from the University of Hawaii at Manoa with a business degree, Reggie embarked on a real estate sales career joining a leading local residential developer. His tenure there taught him the importance of integrity and professionalism as the cornerstones to building successful long-term relationships. In 1998, he joined CBI, INC. and entered the commercial brokerage arena as a retail specialist.

The year 2000 brought about an affiliation of CBI, INC. with Grubb & Ellis that enabled CBI, INC. to enhance its client services and presence in the local marketplace with G&E's vast network and resources. It was this affiliation that contributed to Reggie's personal success when he closed 2001 as the company's top broker for number of units leased and was recognized as one of the top four brokers for gross commissions earned. Currently, he continues assisting numerous businesses with their real estate acquisition or disposal needs and strives to exceed their expectations while earning their trust.

EXPERIENCE

Reggie Salvador, Senior Transactional Advisor of the Retail Services Group, specializes in lease, sublease, owner-user and investment sale transactions. He is equally proficient at representing both landlords and tenants or sellers and buyers. Born and raised in Hawaii, Reggie's knowledge of the local market has proved invaluable to nationals seeking entry into specific market areas and understanding the demographics of each region. Past transactions have involved representation in major regional and neighborhood strip centers as well as freestanding single user buildings.
